Welcome to Hartley Farm Shop & Café – home to the Bowles family of farmers for over five generations.

“Our café offers outstanding food using, where possible, food produced here on the farm – from our famous ‘Farmhouse Breakfast’ and beef burgers to our homemade cakes and scones. Head chef Ollie and his team strive to bring you the very best homemade, locally sourced food.

Working together with the butchery team and Grown Green (Hartley Farm’s market garden), the menu changes with the seasons, always with something new to try.”
