Christmas Turkeys

The traditional centrepiece of the table. Our turkeys are sourced from Stuart Perkins at Castlemead Farm in Radstock. All bronze turkeys are free-range and white turkeys are reared in straw-bedded barns. We also have turkey crowns (legs taken off, but still supplied in the box) and boneless turkey breast joints too, perfect if you still want all the flavours of Christmas but you aren't feeding the masses!

For all poultry, please tick the box under the size you would like.
