Whether you are looking for a quiet birthday dinner, that special anniversary party or a casual knees-up, our kitchen set in beautiful countryside, is the perfect venue. We have plenty of room indoors and out to create a unique occasion for you and your guests.

Our kitchen team here at Hartley are always eager to cook up a tasty feast with the freshest ingredients, working with the amazing producers we have on our doorstep. Add to that a licensed bar serving a great variety of bottled craft beers and ciders, alongside other drinks, and your evening is complete.

Our menu has something to offer for everyone but if you can't find your favourite tippie or ingredient on the list, do let us know and we'll try and source it for you!
