LOCAL - SEASONAL - SUSTAINABLE

Hartley Farm is a fifth-generation family farm, shop and kitchen. In our Farm Kitchen, our focus is on cooking fresh, wholesome food that champions the seasons and the local farmers, growers and makers behind the ingredients. All the meat we serve in our kitchen is prepared by our butchers who work directly with local farmers throughout the year. All our beef is from our own native-breed cows that graze on nothing but our own grass for much of the year and our own silage during the winter. Our on-site market gardener, Kate, also grows organic vegetables and salads on the farm and delivers them freshly picked to our chefs every day.

Our farm shop is our larder so if you like what we do in our farm kitchen, be sure to head next door to explore our farm shop and butchers counters!
